An account of three years in a teenage girl's life as she forges an identity between two contrasting worlds -- her straight-laced school and Portland's underground music scene. Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. Choose Me: As soon as I moved from the city to a small town, I attracted the attention of the town's hottest cop. The only problem is...we work on opposite sides of the law and he's running for sheriff. When the election heats up, will he choose me? Be with Me: When Jack comes back to save his father's business, I noticed he's filled out since high school. When he stops by my bakery each morning with a boyish smile and wink, I don't want to be friends anymore. It's time to show him, I'm all grown up. All I want is for him to be with me. Burn for Me: I've worked for this promotion for years. I'm determined to get it, and I won't let anyone or anything stand in my way. Not even Logan Grey. His irresistible charm, sex appeal and cocky grin won't distract me from my goal. There's just one problem, I want Logan too. "Anyone who loves romance must read Sabrina Jeffries!" --Lisa Kleypas, New York Times bestselling author An Amazon Best Romance of the Month A USA Today Bestseller A sexy and distracting rake is tamed by a scholarly heroine with a penchant for the sciences in this dazzling and witty tale of Regency London. A past kiss with adorably bookish Miss Olivia Norley should be barely a memory for Marlowe Drake, the Duke of Thornstock. After all, there are countless debutantes for a handsome rakehell to charm beyond a young lady whose singular passion is chemistry--of the laboratory type. But Thorn has not forgotten--or forgiven--the shocking blackmail scheme sparked by that single kiss, or the damage caused to both their names. Now Thorn's half-brother, Grey, has hired the brilliant Miss Norley for her scientific expertise in solving a troubling family mystery. And the once-burned Thorn, suspicious of her true motives, vows to follow her every move . . . For Olivia, determining whether arsenic poisoning killed Grey's father is the pioneering experiment that could make her career--and Thorn's constant presence is merely a distraction. But someone has explosive plans to derail her search. Soon the most unexpected discovery is the caring nature of the reputed scoundrel beside her--and the electricity it ignites between them . . . "Intoxicating...Jeffries's perfect blend of romance, mystery, and suspense is sure to have series readers

anxious for more." —Publishers Weekly In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends. In the third novel in Maya Rodale's charming Wallflower series, London's Least Likely to Be Caught in a Compromising Position finds temptation in a devilishly handsome stranger . . . Miss Prudence Merryweather Payton has a secret. Everyone knows that she's the only graduate from her finishing school to remain unwed on her fourth season—but no one knows why. With her romantic illusions shattered after being compromised against her will, Prudence accepts a proposal even though her betrothed is not exactly a knight in shining armor. When he cowardly pushes her out of their stagecoach to divert a highwayman, she vows never to trust another man again. John Roark, Viscount Castleton, is nobody's hero. He's a blue-eyed charmer with a mysterious past and ambitious plans for his future—that do not include a wife. When he finds himself stranded at a country inn with a captivating young woman, a delicate dance of seduction ensues. He knows he should keep his distance. And he definitely shouldn't start falling in love with her. When Prudence's dark past comes back to haunt her, John must protect her—even though he risks revealing his own secrets that could destroy his future. Jinwon Hyun is a carefree and outgoing high school student. He is a great dancer and has a pretty girlfriend. One day, however, he notices that someone is constantly staring at him. He finds out it's none other than a classmate named Hosoo—who has a girlfriend of his own—and Jinwon is faced with a very strange and worrisome dilemma. The two boys find themselves gradually becoming attracted to each other's songs and hopes. This subtle shonen-ai story of love, pain, and youthful angst will break readers' hearts and leave them totally infatuated with Yeri Na and her characters. It is arguably the most common theme in ABDL fiction - becoming a baby again, perhaps forever and perhaps completely so. For many Adult Babies, the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention. For the vast majority of adult babies, the expression of our inner infant is complicated by endless compromises and limits on what we can actually do. Our partners limit us. Our finances limit us. Social acceptance - and the lack thereof - limits us. Friends, employment, family and other issues limit us. But fiction can overcome all of these. In fiction, we can bend the rules of probability, break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish. In these three books, you will read of adults that become complete babies once more. If they are not originally completely willing to become babies again, they quickly discover the joys, the peace and comfort of nappies, baby clothes, bottle feeds and baby toys. Infancy is entrancing to almost everyone, but for those special people - adult babies - infancy is only a nappy-change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book. Enjoy your stay in the world of refreshing infancy. Read about nappies and rubber pants! Some wounds never heal, and for Jonessy Price, the reemergence of her mother is a unscabbing scar, rejecting time's insistence that it heals. Though she can woo Mali with old memories and acting as the mother Persia has always desired, Jonessy isn't moved by Willona Price. However, she has no choice but to rearrange her life for the Price Matriarch. As if dealing with her mother isn't troublesome enough, Jonessy struggles to become whole after a piece of her was taken away abruptly. She throws herself into taking care of everyone, neglecting herself. The one place she finds solace is in her artwork. Although slow, her healing begins, and just as she makes strides they come to a halt at the possibility that the person responsible for shattering her world is alive, fluttering in and out of her life in an unexpected way. Jonessy's best friend Envy has gone from writing the book baes of her dreams to sleeping with a nameless, faceless one referred to as "Stranger." What

she doesn't know is that he's the catalyst for past and future events. Casanova Wilde's identity has revolved not around his money, the harem of women he once entertained, or even the respect he garners on the street. Without the use of his legs he struggles with being a man, specifically being the man he promised Jonessy Price he would be. No longer the source of affection for most and a threat to the rest, Nova navigates life searching for his purpose, only to find his condition hasn't changed his circumstances; he has. Refusing to stand in his own way, Casanova Wilde works on returning to full form, which he realizes doesn't mean reverting to his old ways, simply amplifying the same heartless thug Jonessy fell in love with. As Nova goes on a journey to match his mental and physical, Blanc discovers the detriment to keeping the world on his shoulders. Chaos unfolds as Casablanca Wilde searches for Leon Price's killers, leaving a path of chaos and destruction. In the midst of it, Blanc learns the cost of being the hero when his loved ones are placed in the line of fire due to his careless mistakes. With no one to turn to, an unlikely ally teams up with the coldest Wilde Brother to complete a story of sex, money, and murder. At the center of the impending war between the Wilde and Hines Brothers is Mali Price, who pays for her sins at every turn. Walking the tight rope between doing the right thing and remaining complacent for the sake of acceptance, Mali has her own traumas to unpack, especially when they threaten the very people who have kept her head above water whenever she was drowning. Will she risk everything to absolve herself of her previous transgressions? Or is it too little, too late? From the author of international smash-hits Before You Say I Do, London Calling & Nothing To Lose, Clare Lydon has crafted a sweet, funny & hot series guaranteed to put a huge grin on your face. Nearly 500 pages to dive into and binge-read today! A bundle of books #3 (SEE YOU) and #4 (WANT YOU) in Molly Black's Rylie Wolf FBI Suspense Thriller series! This bundle offers books three and four in one convenient file, with over 100,000 words of reading. A notorious stretch of highway is rife with serial killers, unsolved murders and missing-persons cases. The FBI, knowing it must crack this Bermuda Triangle of death, assigns its most brilliant mind—and flawed agent—Rylie Wolf, to dive headfirst into this road of danger. Rylie must tap her brilliant instincts to decode these cases and enter the twisted mind of killers—while battling demons from her own dark past. In SEE YOU (Book #3), victims are appearing across multiple state lines, seemingly no link between them. Rylie, pitted against territorial police departments, must tap her brilliant mind to crack the riddle, and save the next victim before it's too late. At the same time, secrets from her past that she'd rather keep buried are coming to light. Can Rylie keep herself sane long enough to save the next victim? Or will the clock finally run out for good? In WANT YOU (Book #4), Rylie must crack the case of a string of hitchhikers who've gone missing. Are they all the work of a single killer? And can she save the next one before it's too late? A complex psychological crime thriller full of twists and turns and packed with heart-pounding suspense, the RYLIE WOLF mystery series will make you fall in love with a brilliant new female protagonist and keep you turning pages late into the night. It is a perfect addition for fans of Robert Dugoni, Rachel Caine, Melinda Leigh or Mary Burton. Books #5 and #6 in the series—TAKE YOU and DARE YOU—are now also available. ***This edition contains 2 ebooks: What My Heart Wants and Waiting For A Fall*** Did I miss a class growing up? You know the kind that teaches you how to deal with teenage heartache and maybe how to avoid it all together? I could have used the advice. Desperately. Senior year wasn't supposed to be like this for Annabelle Simms. Thanks to James, after having a crazy off/on relationship with him since school started, it's been nothing but heartache central. After confronting James and the popular crew in front of the entire school, things were about to get harder. If she had any hope of surviving the rest of her senior year in one piece, she'd have to ignore what her heart wanted and start listening to her head. How many times could she say this was the last time before... it was too late? Warning Contains Sexual Scenes Recommended for ages 17+ This is not a standalone novel. Book 3 in Y.A Series WAITING FOR A FALL Previously published as Young Annabelle Series: Young Annabelle, The Truth About James, What My Heart Wants (Books #1-3). ***Author's Cut Version*** ***Warning contains strong language and sexual scenes*** ***There is a HEA*** The first time I

met James I thought he was an idiot. But the more time we spent together the more I realized that he was just as angry as I was. Him with his dad and me with my mom. He's got me all twisted, messed up to a point where I barely recognize myself anymore. My best friend tells me to dump him. My parents don't know he exists. But I can't seem to stay away. When we're alone it's everything, but when we're at school it's like we don't even exist, and I wish he'd tell me why. Already a star on the Royal Heights High School Baseball team, James Lawson wasn't your average transfer student. Even with his 'new guy' status, he quickly becomes one of the popular 'Kings' at school and that alone should have been the red flag Annabelle needed to stay away from him. He's arrogant, intense, rude and worst of all he seems like the kind of guy that usually gets what he wants. But the more time they spend together the more difficult she finds it to stay away from him, especially with all the stress her mother is causing her concerning her appearance. As if she didn't already have enough to worry about, she finds out that the popular 'Queen' of Royal Heights High had her sights set on a certain popular 'King'. In Donna Tallins eyes, James was her perfect match, but there was one person standing in her way of high school couple stardom. And that was Annabelle. 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award A powerful billionaire who always gets what he wants. Anything He Wants Lucy Delacourt's temp position isn't quite her dream job but it pays the bills. The highlight of her day is riding the elevator in the mornings with a handsome stranger. But everything changes when the stranger seduces her. Completely out of character, she yields without a fight, but she has no idea her wanton acts with a man whose name she doesn't know will change her life forever. Because the sexy stranger is none other than Jeremiah Hamilton, billionaire CEO of Hamilton Industries, and one taste isn't nearly enough to satisfy his need. Castaway As the billionaire pulls Lucy deeper into his world of high stakes business deals and ruthless takeovers, he demands nothing less than her complete surrender. But Jeremiah has no place in his life for love, and as Lucy falls deeper for him, she risks having her heart shattered. Making matters worse, Jeremiah's fiercest rival is determined to steal Lucy's affection...and to do it, he'll show her the sinister side of Jeremiah's opulent world. With nowhere to turn and no one to trust, there's only one thing Lucy knows for sure: she'll never be free from Jeremiah's sweet possession. "Smoking HOT! Full of secrets, lust, domination, romance, danger and action. There is so much to like!" —Crazy Four Books Highlander Ronan Maclaren must marry, but he's in no particular hurry. He's perfectly happy as the laird of his clan, running the Maclaren Whisky Distillery, and besides, he just hasn't found the

right woman. Lady Imogen Kinley has cleverly avoided wedlock for years. Men, she has learned from painful experience, are not to be trusted. Determined to remain independent, she takes an indecent amount of pleasure in making herself as unattractive to potential suitors as possible. When desperate measures are taken by their parents and a betrothal contract is signed, it's loathing at first sight. They each vow to make the other cry off-by any means necessary. But what starts out as a battle of wits...quickly dissolves into a battle of wills. Each book in the Tartans & Titans series is STANDALONE: * Sweet Home Highlander * A Lord for the Lass * What a Scot Wants Sociopath John Cleaver calls a demon on the phone and challenges him to a fight to the death, only to be relentlessly stalked by a supernatural entity who always has the upper hand. Mako and Sakurai have been spending a lot of time together after school, and even ended up alone together in her room! Mako thinks she's behaving a little differently than usual...during a moment of silence, she stares right into his eyes. What could this possibly mean? "And Mommy looks at me like today will be my last day alive." When does a toddler start to learn right from wrong? What happens in a family that influences a decision going through a young mind? "I Don't Want to Turn 3" explores the interaction between family that is happening in just about every household in the world. Now that she's engaged to the emperor of Galé and reunited with her beloved Lou, Serephione no longer needs to lie low in Marsche. But she can't let her guard down just yet?the heroine is still out there, and rumor has it she's teamed up with the prince who attacked Serephione before! Serephione may have no choice but to face off once and for all against the heroine she's tried her whole life to avoid...but is she capable of overcoming the heroine's ability to seemingly bend the plot to her will? This collection includes the first three books in the bestselling Stick Dog series: Stick Dog, Stick Dog Wants a Hot Dog, and Stick Dog Chases a Pizza. These heavily illustrated, fun books are perfect for fans of series such as Diary of a Wimpy Kid and Big Nate. Stick Dog: Introducing everyone's new best friend: Stick Dog! He'll make you laugh . . . he'll make you cry . . . but above all, he'll make you hungry. Follow Stick Dog as he goes on an epic quest for the perfect burger. With hilarious stick-figure drawings, this book has a unique perspective, as the author speaks directly to the reader throughout the story in an engaging and lively way. Stick Dog Wants a Hot Dog: In this second book, Stick Dog and his four friends, Poo-Poo, Mutt, Stripes, and Karen, must execute a master plan for stealing hot dogs. The closer they get to the hot dog vendor, the more difficult their mission becomes. With the same hilarious antics, the five dogs are met with many challenges along the way, including having to distract the frankfurter guy and Karen getting locked in a human's house. No matter what, these dogs have their eyes-and stomachs-on the prize. Stick Dog Chases a Pizza: Stick Dog returns with the same crazy crew. This time these canine friends have discovered a newfangled flavor-and it's even more delicious than hamburgers and hot dogs. It's pizza! And they won't be satisfied until they get some slices of their own. But it won't be that easy. There's a kitten to rescue, a plan to make, and the messiest-and most dangerous-game of catch they've ever played. Pizza is on the menu, but only if their mission succeeds. After a successful battle of wits with Melvin Crabitt, Fii Crow enjoys a whole week of baking without any love interests in her hair. But when you're the (unwilling) heroine of an otome game, peace never lasts long. Two especially dangerous bachelors come knocking at her door: Prince Nolan and his trusted aide Zero. There are all kinds of troubles men can bring in this visual novel, and war just happens to be one of them. Can Fii get out of this predicament with her head still on her shoulders? Or is the sword mightier than doughy goodness? A convenient marriage No inconvenient emotions Ross Vincent, Marquis of Cranford, with his scarred face and formidable disposition, knows he's hardly a catch. But he needs a wife to take care of his motherless son. Shy, scholarly Prudence Scott seems ideal: she has no expectation of love or passion. She'll care for his baby in return for the protection of his name. Yet seeing

Prudence on their wedding day tests Ross's willpower to not take his new wife to bed... From Harlequin Historical: Your romantic escape to the past.
