**The Moth Girl** Dec 09 2021 Flying doesn't always mean freedom. Anna is a regular teenaged girl. She runs track with her best friend, gets good grades, and sometimes drinks beer at parties. But one day at track practice, Anna falls unconscious . . . but instead of falling down, she falls up, defying gravity in the disturbing first symptom of a mysterious disease. This begins a series of trips to the hospital that soon become Anna's norm. She's diagnosed with lepidopsychy: a rare illness that causes symptoms reminiscent of moths: floating, attraction to light, a craving for sugar, and for an unlucky few, more dangerous physical manifestations. Anna's world is turned upside down, and as she learns to cope with her illness, she finds herself drifting further and further away from her former life. Her friends don't seem to understand, running track is out of the question, and the other kids at the disease clinic she attends once a week are a cruel reminder that things will never be the same. From debut author Heather Kamins comes a beautiful and evocative story about one girl's journey of choosing who she wants to be--in a life she never planned for.

**The Lost Girls** Oct 15 2019 “The delicacy of [Young's] writing elevates the drama and gives her two central characters depth and backbone... For all the beauty of Young's writing, her novel is a dark one...And the murder mystery that drives it is as shocking as anything you're likely to read for a good long while.” — New York Times Book Review A stunning novel that examines the price of loyalty, the burden of regret, the meaning of salvation, and the sacrifices we make for those we love, told in the voices of two unforgettable women linked by a decades-old family mystery at a picturesque lake house. In 1935, six-year-old Emily Evans vanishes from her family's vacation home on a remote Minnesota lake. Sixty years later, Lucy, the quiet and watchful middle sister, lives in the lake house alone. Before her death, she writes the story of that devastating summer in a notebook that she leaves, along with the house, to the only person who might care: her grandniece, Justine. For Justine, the lake house offers freedom and stability—a way to escape her manipulative boyfriend and give her daughters the home she never had. But the long Minnesota winter is just beginning. The house is cold and dilapidated. The dark, silent lake is isolated and eerie. Her only neighbor is a strange old man who seems to know more about the summer of 1935 than he's telling. Soon Justine's troubled oldest daughter becomes obsessed with Emily's disappearance, her mother arrives to steal her inheritance, and the man she left launches a dangerous plan to get her back. In a house haunted by the sorrows of the women who came before her, Justine must overcome their tragic legacy if she hopes to save herself and her children.

**Disaster Preparedness** Nov 27 2020 "Smart, hilarious, unique-- just terrific." --Anne Lamott A thoughtful, witty memoir from the author of *How to Be a Person in the World* and the popular advice column, *Ask Polly*. When Heather Havrilesky was a kid during the '70s, harrowing disaster films dominated every movie screen with earthquakes that destroyed huge cities, airplanes that plummeted towards the ground and giant sharks that ripped teenagers to shreds. Between her parents' dramatic clashes and her older siblings' hazing, Heather's home life sometimes mirrored the chaos onscreen. *Disaster Preparedness* charts how the most humiliating and painful moments in Havrilesky's past forced her to develop a wide range of defense mechanisms, some adaptive, some piteously ill-suited to modern life. From premature boxing lessons to the competitive grooming of cheerleading camp, from her parents' divorce to her father's sudden death, Havrilesky explores a path from innocence and optimism to self-protection and caution, bravely reexamining the injuries that shaped her, the lessons that sunk in along the way, and the insights that carried her through. *Disaster Preparedness* is a road map to the personal disasters we all face from an irresistible voice that gets straight to the beauty and grace at the heart of every calamity.

**Foreverland** Jul 16 2022 A Recommended Read from: Good Morning America • Good Housekeeping • Esquire • Shondaland • Atlanta Journal-Constitution • The Week • Lit Hub • Publishers Weekly An illuminating, poignant, and savagely funny examination of modern marriage from Ask Polly advice columnist Heather Havrilesky If falling in love is the peak of human experience, then marriage is the slow descent down that mountain, on a trail built from conflict, compromise, and nagging doubts. Considering the limited economic advantages to marriage, the deluge of other mate options a swipe away, and the fact that almost half of all marriages in the United States end in divorce anyway, why do so many of us still chain ourselves to one human being for life? In Foreverland, Heather Havrilesky illustrates the delights, aggravations, and sublime calamities of her marriage over the span of fifteen years, charting an unpredictable course from meeting her one true love to slowly learning just how much energy is required to keep that love aflame. This refreshingly honest portrait of a marriage reveals that our relationships are not simply “happy” or “unhappy,” but something much murkier—at once unsavory, taxing, and deeply satisfying. With tales of fumbled proposals, harrowing suburban migrations, external temptations, and the bewildering insults of growing older, Foreverland is a work of rare candor and insight. Havrilesky traces a path from daydreaming about forever for the first time to understanding what a tedious, glorious drag forever can be.

**Saving Maddox** Dec 17 2019 The boy next door grew up to be one of the hottest rock stars in the world. When Maddox Everleigh escaped our hometown in the dead of night, he didn't bother saying goodbye. I thought I'd never see him again, that he wouldn't remember who I was if I did. I'd never quite forgotten his dark, hypnotic eyes and charming smile. He'd carved himself a permanent spot on my soul. When his past brought him back to town, it was hard not to let him right back in, to pick up where we left off. But we weren't the same people anymore. Sacrifices had to be made. I couldn't afford to let my guard down, and he wasn't a white knight riding in to save the day. Suddenly, Maddox and I found our lives helplessly tangled together against a common enemy. If we didn't find a way to help each other, we'd both be ruined.

**Mourning Wood** Nov 15 2019 She's hard up. He's just hard... After an ill-fated one-night stand, Wyatt Landry was the last person I ever expected to see again. By design, mind you, as I spent the last two years avoiding him. He was only ever meant to be a good time—a really good time—and now, thanks to one teensy little mistake, he's back in my life and wielding an entirely different set of tools. It's not like I intentionally hired a bogus contractor to redo our chapel, and Lord knows I never imagined Wyatt would ride up in his pickup truck, like a knight in thigh-hugging blue jeans, to save the day. But here he is, and to make matters worse, he's every bit as charming as I remember, and before I can fully process his reappearance in my life, he has my six-year-old daughter wrapped around his finger, my parents eating out of the palm of his hand, and my best friend shipping us like we're some celebrity couple. Thankfully, working in the death industry, I've mastered the skill of compartmentalization. Keeping my growing feelings tucked away should be a piece of cake. Except, seeing him every day definitely throws a wrench in that plan. Before I know it, we're trading favors for dates, and as much I don't want to admit it, the feelings for him I thought were dead and buried are taking root and growing into something that looks a lot like love. Daigle Family Funeral Services... don't be caught dead any place else.

**Malice** Apr 13 2022 A princess isn't supposed to fall for an evil sorceress. But in this “bewitching and fascinating” (Tamora Pierce) retelling of “Sleeping Beauty,” true love is more than a simple fairy tale. “Walter’s spellbinding debut is for all the queer girls and women who’ve been told to keep their gifts hidden and for those yearning to defy gravity.”—O: The Oprah Magazine Once upon a time, there was a wicked fairy who, in an act of vengeance, cursed a line of princesses to die. A curse that could only be broken by true love’s kiss. You’ve heard this before, haven’t you? The handsome prince. The happily ever after. Utter nonsense. Let me tell you, no one in Briar actually cares about what happens to its princesses. Not the way they care about their jewels and elaborate parties and charm-granting elixirs. I thought I didn’t care, either. Until I met her. Princess Aurora. The last heir to Briar’s throne. Kind. Gracious. The future queen her realm needs. One who isn’t bothered that I am Alyce, the Dark Grace, abhorred and feared for the mysterious dark magic that runs in my veins. Humiliated and shamed by the same nobles who pay me to bottle hexes and then brand me a monster. Aurora says I should be proud of my gifts. That she . . . cares for me. Even though a power like mine was responsible for her curse. But with less than a year until that curse will kill her, any future I might see with Aurora is swiftly disintegrating—and she can’t stand to kiss yet another insipid prince. I want to help her. If my power began her curse, perhaps it’s what can lift it. Perhaps together we could forge a new world. Nonsense again. Because we all know how this story ends, don’t we? Aurora is the beautiful princess. And I—I am the villain. Book One of the Malice Duology

**The Heather Blazing** May 14 2022 Colm Tóibín's second “lovely, understated” novel that “proceeds with stately grace” (The Washington Post Book World) about an uncompromising judge whose principles, when brought home to his own family, are tragic. Eamon Redmond is a judge in Ireland's high court, a completely legal creature who is just beginning to discover how painfully unconnected he is from other human beings. With effortless fluency, Colm Tóibín reconstructs the history of Eamon's relationships—with his father, his first “girl,” his wife, and the children who barely know him—and he writes about Eamon's affection for the Irish coast with such painterly skill that the land itself becomes a character. The result is a novel of stunning power, “seductive and absorbing” (USA Today).

**Red Comet** Apr 20 2020 PULITZER PRIZE FINALIST • The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. “One of the most beautiful biographies I've ever read.” —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* With a wealth of never-before-accessed materials, Heather Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College. Refusing to read Plath's work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

Her beauty saved her — and condemned her. Cilka is just sixteen years old when she is taken to Auschwitz-Birkenau Concentration Camp in 1942, where the commandant immediately notices how beautiful she is. Forcibly separated from the other women prisoners, Cilka learns quickly that power, even unwillingly taken, equals survival. When the war is over and the camp is liberated, freedom is not granted to Cilka: She is charged as a collaborator for sleeping with the enemy and sent to a Siberian prison camp. But did she really have a choice? And where do the lines of morality lie for Cilka, who was sent to Auschwitz when she was still a child? In Siberia, Cilka faces challenges both new and horribly familiar, including the unwanted attention of the guards. But when she meets a kind female doctor, Cilka is taken under her wing and begins to tend to the ill in the camp, struggling to care for them under brutal conditions. Confronting death and terror daily, Cilka discovers a strength she never knew she had. And when she begins to tentatively form bonds and relationships in this harsh, new reality, Cilka finds that despite everything that has happened to her, there is room in her heart for love. **Butts** Dec 21 2022 “Winning, cheeky, and illuminating....What appears initially as a folly with a look-at-this cover and title becomes, thanks to Radke's intelligence and curiosity, something much meatier, entertaining, and wise.” —The Washington Post “Lively and thorough, *Butts* is the best kind of nonfiction.” —Esquire, Best Books of 2022 So Far A “carefully researched and reported work of cultural history” (The New York Times) that explores how one body part has come to mean so much—now one of the most anticipated books of 2022. Whether we love them or hate them, think they're sexy, think they're strange, consider them too big, too small, or anywhere in between, humans have a complicated relationship with butts. It is a body part unique to humans, critical to our evolution and survival, and yet it has come to signify so much more: sex, desire, comedy, shame. A woman's butt, in particular, is forever being assessed, criticized, and objectified, from anxious self-examinations trying on jeans in department store dressing rooms to enduring crass remarks while walking down a street or high school hallways. But why? In *Butts: A Backstory*, reporter, essayist, and RadioLab contributing editor Heather Radke is determined to find out.

Spanning nearly two centuries, this “whip-smart” (Publishers Weekly, starred review) cultural history takes us from the performance halls of 19th-century London to the aerobics studios of the 1980s, the music video set of Sir Mix-a-Lot’s “Baby Got Back” and the mountains of Arizona, where every year humans and horses race in a feat of gluteal endurance. Along the way, she meets evolutionary biologists who study how butts first developed; models whose measurements have defined jean sizing for millions of women; and the fitness gurus who created fads like “Buns of Steel.” She also examines the central importance of race through figures like Sarah Bartmann, once known as the “Venus Hottentot,” Josephine Baker, Jennifer Lopez, and other women of color whose butts have been idolized, envied, and despised. Part deep dive reportage, part personal journey, part cabinet of curiosities, *Butts* is an entertaining, illuminating, and thoughtful examination of why certain silhouettes come in and out of fashion—and how larger ideas about race, control, liberation, and power affect our most private feelings about ourselves and others.
