I'm no stranger to beautiful places and beautiful women; the life I've led has left me jaded to both...or so I thought. Then a working holiday photographing the wild, lonely places of America leads me to a goddess. She's all long black hair and dangerous curves, fiercely independent, with art in her soul. She sets me on fire, she turns me inside out-and in so doing, she shows me the man I've kept hidden within the inner sanctum of my lonely heart. She is Poppy Goode, and I cannot live without her.\* \* \* Hitchhiking from Manhattan, New York to Ketchikan, Alaska seems like a pretty interesting way to discover one's self, and one's purpose in this universe. I meet all kinds of people along the way, so it's not entirely surprising when I catch a ride with a gorgeous traveler from New Zealand. He's golden, tall and lean, and his accent is to die for-a New Zealand twang and roll that lilt and makes me laugh. He's got a million stories, each more unbelievable than the last: he's an adventurer and a photographer for Nat Geo, but none of his crazy, fascinating stories can hide the sadness in his eyes. We are both brave about everything except ourselves, and we embark on a path that takes us over the craggy mountains surrounding my heart and his. We share scorching, undeniable physical chemistry, but letting ourselves be really free requires immense courage, unflinching honesty, and vulnerability...which neither of us are certain we possess. There's a map for highways, but if there's a map for love, I never got it. I wasn't always in love with Nell Hawthorne; I was in love with a girl named India before I ever met Nell. India? She was my first love, the girl who made me want to be better than my past, better than the blood and violence. Live by the sword, die by the sword, that's what they say, right? It should have been me, that day. But it wasn't. It was her. And that changed me. Sent me down an even darker path than I'd been on before. Until I met her. Nell Hawthorne. The girl who changed everything. You know that story. But what you don't know is everything that led up to that rainy day under a tree, at a funeral. Dive into the series that started it all! Jasinda Wilder burst onto the romance scene with BIG GIRLS DO IT BETTER. The groundbreaking, bestselling series continues with Big Girls Do It Married. Life was finally starting to make sense. And then he showed up...again. Now, I have to make the biggest decision of my life, and someone will end up heartbroken. I can only hope that someone isn't me. Big Girls Do It series reading order: Big Girls Do It Big Girls Do It Married Big Girls Do It On Christmas Rock Stars Do It Big Girls Do It Pregnant Big Love Abroad Ever, These letters are often all that get me through week to week. Even if it's just random stuff, nothing important, they're important to me. Gramps is great, and I love working on the ranch. But... I'm lonely. I feel disconnected, like I'm no one, like I don't belong anywhere. Like I'm just here until something else happens. I don't even know what I want with my future. But your letters, they make me feel connected to something, to someone. I had a crush on you, when we first met. I thought you were beautiful. So beautiful. It was hard to think of anything else. Then camp ended and we never got together, and now all I have of you is these letters. S\*\*t. I just told you I have a crush on you. HAD. Had a crush. Not sure what is anymore. A letter-crush? A literary love? That's stupid. Sorry. I just have this rule with myself that I never throw away what I write and I always send it, so hopefully this doesn't weird you out too much. I had a dream about you too. Same kind of thing. Us, in the darkness, together. Just us. And it was like you said, a memory turned into a dream, but a memory of something that's never happened, but in the dream it felt so real, and it was more, I don't even know, more RIGHT than anything I've ever felt, in life or in dreams. I wonder what it means that we both had the same dream about each other. Maybe nothing, maybe everything. You tell me. Cade ~ ~ ~ Cade, We're pen pals. Maybe that's all we'll ever be. I don't know. If we met IRL (in real life, in case you're not familiar with the term) what would happen? And just FYI, the term you used, a literary love? It was beautiful. So beautiful. That term means something, between us now. We are literary loves. Lovers? I do love you, in some strange way. Knowing about you, in these letters, knowing your hurt and your joys, it means something so important to me, that I just can't describe. I need your art, and your letters, and your literary love. If we never have anything else between us, I need this. I do. Maybe this letter will only complicate things, but like you I have a rule that I never erase or throw away what I've written and I always send it, no matter what I write in the letter. Your literary love, Ever He was my worst enemy. He spent every waking moment devising fresh new ways of torturing me. No one has ever been able to make me cry like Matthais Bristow: my twin brother's best friend, and the person on this planet I hate most. Then, he left for college and I was free of him. For ten blessed years, I was free of his torture. Now, he's back, and he owns half of the family business I spent my entire life preparing to take over. Is this going to be a new round of his old favorite game, Make Delia McKenna Cry, or am I

to believe he's actually come back with good intentions? "Madame X invites you to test the limits of control in this provocative new novel from New York Times bestselling author Jasinda Wilder. My name is Madame X. I'm the best at what I do. And you'd do well to follow my rules... Hired to transform the uncultured, inept sons of the wealthy and powerful into decisive, confident men, Madame X is a master of the art of control. With a single glance she can cut you down to nothing, or make you feel like a king. But there is only one man who can claim her body--and her soul. Undone time and again by his exquisite dominance, X craves and fears his desire in equal measure. And while she longs for a different path, X has never known anything or anyone else--until now.."--\*\*\*This novel is a contemporary second chance romantic comedy featuring mature characters.\*\*\* Dad Bod Contracting—for ALL your domestic contracting needs. It started with a window that was jammed shut. Pretty simple, right? All I wanted was to open the windows while I tidied the house. I'd been after my no-good husband to do it for months, but he never did. And then he shackled up with his secretary, leaving me with a pile of bills, husband-free for the first time in ten years, and with a house that was falling apart. The ad popped up on the side of my social media feed—a local contracting agency willing to do pretty much anything. Since I don't really know a screwdriver from a ratchet, I gave them a call. And let me tell you, the ad was NOT lying. Jesse O'Neill can do it ALL...and looks amazing doing it. He fixed my window, so I called him back to fix the sagging, splintery front steps. Which led to him fixing my kitchen sink. And then he recarpeted my stairs. And then fixed the squeak in my bed. He was supposed to fix my house, not my rusty, sputtering libido. And certainly not my broken heart. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px 'Times New Roman'; min-height: 16.0px} span.s1 {font-kerning: none} Laurel McGillis has a secret: she's a hopeless romantic. She'll deny it up one side and down the other, and all evidence points to the contrary, but it's true. Her deeper secret: she's desperately hoping to be the third victim of The Ad. In this case, Laurel's two secrets are about to cross paths, in the steamiest, most romantic way she could possibly imagine. Masha, the eighteen-year-old daughter of Rasputin, is sent to live in the imperial palace with Tsar Nicholas's family, where she tends the ailing Prince Alyosha, with whom she exchanges comforting family stories when the royal family is arrested. New York Times bestselling author Jasinda Wilder presents the conclusion to Madame X's thrilling saga of discovery. My name is Madame X. My heart is torn in two. And now I have to choose... Caleb is everything to her: lover, caretaker, the man who gave her life meaning when she had none. But as she seeks the truth about herself and her past, she discovers that unravelling Caleb's web of lies might very well be impossible. Logan is everything she never knew she wanted: freedom, joy, and a passion she couldn't anticipate. But is Logan's love enough to save her from herself, from Caleb, and from the tumultuous truth of her past? Caught between two equally compelling men, X must make the ultimate choice. But there's more at stake than just her heart... Chase Delany is a rock star. Rock stars are expected to rock hard onstage and party even harder offstage. Chase is living up to those expectations, and then some. He leaves everything he's got onstage, and drowns the ache in his soul at the bottom of a tequila bottle. And then there are the girls. They throw themselves at him nonstop, a never-ending train of hot girls who want in his signature tight leather pants. The problem? Nothing, no amount of booze and no amount of backstage sex can heal the cracks in his heart left by Anna's rejection. And then he runs into Jamie. Anna's best friend. The one girl in the whole world who is off limits to him. The one girl who happens to be the one thing that seems to soothe the hurt inside him. Forgetting her proves to be impossible. Jamie Dunleavy has always been an enthusiastic practitioner of the sexual arts. She's never apologized for it, and she owns it. She's been known to admit--to her best friend Anna Devine, at least--that she's a bit of a slut. Her deep, dark secret? She's tired of it. She doesn't want to be that girl anymore. She wants love, now more than ever, having watching Anna find her own happily-ever-after. So who does she find herself falling for? Chase Delany. Anna's very recent ex. A rockstar, and the one guy she knows she can't ever, ever be with. You don't bang your best friend's ex. You just don't. It's the one hard and fast rule of best friendship. Except, no matter how hard she tries to forget him, she can't seem to shake the image of his dark eyes and sexy tattoos and those lips she wants so badly to kiss and kiss until neither of them can breathe. She can't forget him, and she can't ever have him. I've always been a good girl. I grew up in a small town, dated my high school sweetheart all the way through college, and married him. I even waited until our wedding night for my first time. Yeah, that kind of good girl. Finding my husband in bed with the church secretary came as quite a shock, needless to say. Finding out he'd slept with just about every female in town was an even bigger shock. Discovering those dirty little secrets is what sent me on a journey that I will never forget. It was supposed to be a one-night stand with a tall, wiry, handsome, slightly nerdy guy with oddly captivating green eyes. Those eyes were the only clue that there was a lot more to this guy than I'd first assumed—they were hard, wickedly intelligent, cunning eyes. They hid more than they revealed, and the name he gave, Lear, seemed made up. But he was sexy and he talked a good game, and I was in the mood for some fun. Turns out, though, that the green-eyed nerd I'd so enjoyed sleeping with was no one to screw around with, either. And he doesn't like being forced to violence—which he was, in

rescuing me. Not that I needed rescuing, mind you. I mean, there were a lot of them, and they were tough, and well-trained. I could kick ass and takes names with the best black-ops commandos in the world, and this mysterious Lear seemed to be no slouch either. It would take all of our combined skills to stay alive, but that's not the part I was worried about. No, what worried me wasn't staying alive, it was staying out of love. I'd agreed to let Lear into my pants—one night only, thanks, and goodbye...it seemed fate had other ideas. It was supposed to be happily ever after, but Apollo's past has returned to haunt us. To save the man I love from his violent history, I have to descend into the underworld and snatch him from the jaws of death. If I want happily ever after, I'm going to have to fight for it. Ever, I don't know who I am anymore. I'm a castaway. Lost. Drowning. I love you. That's the only true thing I know, and it's all I have to hold on to. I love you. I'll love you forever. Until the day I die, and I'll love you in whatever world comes after this one. I love you so much, Ever. I miss you. Dear Jesus, I miss you. Come back to me. For forever, and after forever, Caden One year ago, I buried my husband. One year ago, I held his hand and said goodbye. Now I spend most of my days lost somewhere between trying to remember every smallest detail of our lives, and trying to forget it all. I fill my hours with work until I'm too exhausted to remember him, to feel anything at all. One year, 365 days—and then one knock at my door changes everything. A letter from him, a last request, a secret will: My dearest Nadia, Trust me, my love. One last time, trust me. Sometimes the epilogue to one story is the beginning of another. When you make an enemy of a man like Vitaly Karahalios, there is nowhere on earth you can go to escape his wrath. He'll find you. He found me, he found Roth. He found Layla. He found us, and now the unthinkable has happened. Someone I love has been kidnapped. Again. This isn't a fairy tale. Not everyone will get a happily ever after. Sometimes we can't just walk away from the past. Love doesn't always save the day. The beast won't always get his beauty. But maybe, just maybe we can get our happy ending. Ramsey Badd, last of the triplets- the wild man. An explorer, hunter, outdoorsman, and avowed, die-hard bachelor, Ramsey has watched his brothers fall one by one for Alaskan beauties. He's determined to resist. Isadora Styles-Izzy to those know her well. She's gorgeous, sassy, and impossible. She's wild and untamable. She's smart, successful, and evasive. She's got a libido no man has ever been able to satisfy...Until she meets Ramsey Badd. He's captured her body's interest, but the real question is, can he penetrate the walls around her heart? My name is Colton Calloway. You've heard part of my story, but it turns out there's more. My little girl, Kylie, is all grown up. Beautiful and talented, just like her mother. And just like Nell, my daughter seems to have fallen for a bad boy, one with a lot of darkness and a lot of secrets. \* \* \* You thought you knew the whole story. You thought it was over. Happily ever after for everyone. You were wrong. My name is Oz Hyde, and you've never met me. I'm part of the story, too, but I'm an aside, a quick line or two you'd all but forgotten about. Well guess what? I've got my own story to tell. Buckle up, 'cause this is gonna be a hell of a bumpy ride. When my husband Oliver died, my life ended. My purpose, my passion, my everything bled out with him on the side of the Pacific Coast Highway. Ollie was an organ donor. His eyes, his brain, his lungs, his heart...parts of my Ollie went out and saved lives. Then his heart, beating in another man's chest, found its way back to me, and I found myself faced with an impossible choice: hold on to the pain and beauty of the past and the memory of the man I loved, or reach for a bold new future, knowing each heartbeat will be a reminder of all I've lost. \* \* \* I wasn't supposed to live past thirty. My grandfather died at forty-five. Heart failure. My father died at thirty-eight. Heart failure. The doctors told me my whole life that I wouldn't see my thirty-first birthday. My heart was going to give out. It was just a matter of time: a rare blood type and an unusually large heart meant essentially zero chance of a transplant. I proved them all wrong...by dying on my thirty-first birthday. And then I woke up, alive, with another man's heart inside my chest, and his widow on my conscience. I spent my whole life preparing for death, and now I have to learn how to live. Only, as I soon discovered, living is the easy part. Loving, and allowing myself to be loved...well, that's a whole lot harder. The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free. Roth and I are on an open-ended tour of the world. Roth being Roth, this means missionary in Morocco, reverse cowgirl in Calcutta, bent over the bow of a houseboat in Hanoi, slow and sleepy on St. John. Anywhere and

everywhere, in every conceivable position, and some I didn't know were possible. Life was pretty incredible. Until I woke up in his chateau in France, alone. On the bed next to me was a note. There were only four words: He belongs to me. Ex-Navy SEAL Stone Pressfield had a bad feeling about the proposed church missions trip to Manila, Philippines. The college-age church group plans to go Manila and help victims of the sex-trafficking industry. Stone's lingering nightmare memories about the sex-trafficking industry has him warning church leaders that the trip is a bad idea. He knows all too well that it could end in violence, and those involved aren't to be trifled with. When beautiful Wren Morgan goes missing, he has a sick feeling that he knows exactly who took her, and for what purpose. The problem is, Wren isn't just any other student. She's someone he was close to, someone he cares about. Now she's in the hands of cruel, evil men, and Stone is the only one who can rescue her before the unthinkable happens. New York Times bestselling author Jasinda Wilder presents the second novel starring the mysterious Madame X. My name is Madame X. My life is not my own. But it could be... Everything Madame X has ever known is contained within the four walls of the penthouse owned by her lover—the man who controls her every move and desire. While Caleb owns her body, someone else has touched her soul. X's awakening at the hands of Logan's raw, honest masculinity has led her down a new path, one that is as exciting as it is terrifying. But Caleb's need to own X completely knows no bounds, and he isn't about to let her go. Not without a fight that could destroy them all... A standalone, parallel novel to the New York Times, Wall Street Journal, and USA Today Bestselling *Falling Into You*. **THE STORY YOU THOUGHT YOU KNEW...** When Kyle Calloway died, he took a part of Nell with him. She wasn't the only one left to pick up the pieces, however; Kyle's death left a gaping hole in the hearts and lives of his parents and his older brother Colton, and ultimately broke the will of the girl he loved. **THE STORY YOU NEVER IMAGINED...** Becca de Rosa is Nell's best friend. When Kyle died, Nell was so devastated that no one could reach her, not even her best friend Becca. As she tries to help Nell through her grief, Becca's own life is thrust into turmoil, and everything she knows is changed. Jason Dorsey asked Nell out the week after her sixteenth birthday, but that date never happened. Instead, he ended up going out with Nell's best friend, Becca. He had no way of knowing, then, how that one date would send him on a life-long journey with Becca. He had no way of knowing the tragedies and triumphs he would experience, or that in Becca, he might find the love of a lifetime. **THE HEARTACHE YOU'LL NEVER FORGET...** Love is never easy. It's especially difficult when you love a Marine. I knew the risk when I said "I do," but I chose to love anyway. In a flash, he was taken from me, and now I'm alone. Struggling and desperate. There's no hope, no future. Just the endless cycle of day-to-day survival. But a letter returned could change all of that. Hope and love often come from the last place you'd think to look, when you least expect it. \* \* \* I was a lost, broken soul, tortured by the memories of what I'd endured. When I visited that old farmhouse in rural Texas, all I wanted to do was return the letter. Keep a promise to a friend. What I got was healing. Understanding. The chance to find a measure of peace when all I've ever known is war. We both lost everything. But in each other, we found something worth fighting for. Just the name suggests power, dominance, danger...and the man himself? Oh man. I've never met anyone like him. Larger than life, exuding raw power. He's a mountain of rugged, masculine sex appeal. But I have walls that no man, no matter how big he is, has ever been able to break through. Thresh doesn't know how to take "no" for an answer, though. He's determined to get past all my defenses and show me what I've been missing. The only problem is Thresh has enemies. Powerful, deadly, merciless enemies who have no problem using me to get to him. And Thresh is injured, one arm left useless. Can Thresh singlehandedly take on armed and dangerous men out to kill us AND my freight train of emotional baggage? War has taken everything from me. My family. My home. My innocence. In a country blasted by war and wracked by economic hardship, a young orphan girl like me has very few options when it comes to survival. Thus, I do what I must to live, to eat, and I try very hard to not consider the cost to my soul. My heart is empty, and my existence brutal. The one impossibility in my life is love. And then I meet HIM. \*\*\* War is hell. It takes a chunk out of a man's very soul to do the kinds of things war demands of you. You live with fear, you live with guilt, and you live with nightmares. If you haven't been through it, there's no understanding it. War leaves no room for love, no room for tenderness or softness. You gotta be hard, closed off, and ready to fight every moment of every day. Lose focus for a split second, and you're dead. Now the only thing that can save me is HER. Grandma always said dying is the the easy part; it's the living that's hard. I've been fighting to live since I was seven years old, and now the doctors say I'm gonna lose that battle soon. I've crossed off just about everything on my bucket list—I've seen the Eiffel Tower and the Coliseum and I've been swimming in the Caribbean; I've lived like I'm dying, because I am. There's just one thing left on my list: I want to be a bride. I want to wear white and have my dad walk me down the aisle. I want a first dance and cake and a night to feel like a princess...and I want it with Westley Britton. The perfect guy. Musician, actor, and every girl's dream man. My dream man. Only, he doesn't even know I exist. It's the start of a strange, improbable fairy tale. When you're talking about terminal leukemia, happily ever after seems impossible, but when your celebrity crush and the man of your dreams shows up out of the blue and proposes to you, it makes you feel like anything is possible. Even that hardest thing: living. So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a

man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhett Butler in the long-awaited remake of *Gone With the Wind*. He's the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated. Des Ross is working her way through college, sweeping up trash on Mackinac Island, until the day when Adam Trenton jumps from a carriage and asks her out to dinner. One of the hottest actions stars on the silver screen... Des knows that guys like this don't fall in love with girls like her. But Adam is persistent: the fact that she's closed off and impossible to figure out only makes the pursuit that much more intriguing. He's not going to let her go... no matter what it takes. New York Times best-selling author Meghan March brings you the complete Forge Trilogy finally under one cover! His latest pawn is poker champion India Baptiste, whose life he takes by storm, talking her into a deal with a devil—trading her freedom for something even more precious. Now she has to survive the high-stakes game of her life with her heart intact, if she can manage not to fall in love with the enigmatic and only partially civilized billionaire. But Jericho faces his toughest challenge ever. Triumph will require the one thing he's never offered to a woman in his life—his heart. Can true love conquer all in this adventure romance spanning Europe and the high seas? I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness. This isn't a fairy tale. Not everyone will get a happily ever after. Sometimes we can't just walk away from the past. Love doesn't always save the day. The beast won't always get his beauty. But maybe, just maybe, we can get our happy ending. I need you, Ava. I am desperate. For you. For touch. For a kiss. For the scrape of your hand down my stomach. For the slide of your lips across my hipbone. The sweep of your thigh against mine in the dulcet, drowning darkness. For the warm huff of your breath on my skin and the wet suck of your mouth around me and the building pressure of need reaching release...I am mad with need. Wild with it. I cannot have you. I have lost you, as I have lost myself. And so I go in search. Of myself, and thus the man who might return to you, and take you in his arms. I loathe each of the thousands of miles between us, but I cannot wish them away, for I hope at the end of my journey I shall find you. Or rather, find myself, and thus...you. Myself, and thus us. I am taking the long way home, Ava. \* \* \* Christian, I'm losing my mind, and I don't know how to stop it. I shouldn't be writing to you, but I am. I'm friendless, loveless, and lifeless. You're out there somewhere, and still you're all I really have. I hate my reliance and dependence on you, emotionally and otherwise, and that reliance is something I'm coming to recognize. I hate that I can't hate you as much as I want to. I hate that I still love you so much. I hate that there's no clear solution to our conundrum. Even if we could forgive each other, what then? I hate you, Christian. I really do. But most of all, I don't. It's complicated. Complicatedly (still) yours, Ava Enjoy all four of the Big Girls Do It stories in one volume, with special expanded scenes available only in this collection! Big Girls Do It Better Gorgeous, rock-star guys like Chase Delany don't go for girls like me. They go for supermodels and actresses, skinny-girls who never eat and spend all day working out. I'm not that girl. So when he locked his fiery brown eyes on me for the first time, I couldn't quite believe it was really happening to me. It was the second night I spent with him that I'll never forget. Big Girls Do It Wetter Chase went to New York...without me. It was only one night, one delicious, sinful night, but it awakened something within me, and now, with him gone, I have no one to satiate my sudden, ferocious hunger. Then I woke up one day and looked at someone near and dear to me in a whole new light. And my world was rocked once again. Big Girls Do It Wilder I'm going. Going to New York City to be with gorgeous, mysterious, rockstar Chase Delany seemed like a crazy dream, a fantasy come true. The bright lights and music, and his tight, sexy leather pants called to me...and I answered. Chase might want more and I just might give it to him, if I could only forget what I started with Jeff back in Detroit. I thought I had my love life all figured out, I thought I knew what I wanted, and then things went and changed on me all over again... Big Girls Do It On Top I fled New York with my heart breaking and a million questions.

Foremost in my mind was whether Jeff would even see me after the colossal mess that New York turned out to be. I discovered the answer, but that only spawned even more questions, many of the yes or no variety... The night it happened, it seemed like an impossible nightmare. There was no name on the note. No hint of identity or reason or anything. A single word, on the notes line: "She." Just those three letters. The next day, I received another note. It too contained a single word: "belongs." A third note, the next day. This time, two words. Four letters. "To me." Ten million dollars, or our daughter would die. And then, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out there is no happily ever after for us. Nicholas Harris is a professional badass. Ex-Army Ranger, former personal security for the one and only Valentine Roth, mercenary, assassin, pilot, and my lover. After Roth and Kyrrie holed up in their island fortress estate in the Caribbean, Nick started a private security contracting company: Alpha One Security. He hired the best of the best, the scariest, nastiest, toughest—and sexiest—security experts in the business. And now he has the mission of a lifetime: the three year old daughter of two A-list celebrities has been kidnapped and is being held for ransom. The twist? The mercenary and Russian mafioso who snatched the sweet, innocent little girl is a vicious, evil, sadistic thug with a grudge against Nick. And the fallout from this mission will be jet fuel on the flames of that grudge, pulling everyone around Nick into the vortex of violence and vengeance. Good thing we have the seven deadliest and most badass men on the planet on our team... And oh yeah, there's little ol' me: Layla Campari, mercenary-in-training.
